

"I want to give my items to a place with a purpose." Sam

What is a Donation Drive?

Whether you have a thriving community outreach program – want to earn the opportunity to wear jeans on Friday – or simply want to give back in a meaningful way, a donation drive can be your opportunity to do just that. Items can be new, or in some cases, gently loved, and each item is given FOR FREE to neighbors in need right here in town!

Host a Drive

Donation drives can last for a day, a week, or longer. You decide what drive means the most to you and your items will be given away for free to neighbors in need throughout our community.

- Choose a time
- Set a goal
- Share the word!

It really can be that simple! We will set up boxes for you to display, and provide you the content you need to share the word.
